## **JADE LEADER ANNOUNCES RESULTS OF ANNUAL & SPECIAL MEETING AND PROVIDES CORPORATE UPDATE**

Calgary, Alberta – Jade Leader Corp. (TSX.V: JADE) (“Jade Leader”, or “The Company”) is pleased to report that at its Annual & Special Meeting, held on May 7, 2019, Jean-Pierre Jutras, Dr. Shane Ebert, Cornell McDowell and Dr. Peter Megaw were re-elected to the Board of Directors. Shareholders also approved fixing the number of directors at four and the appointment of BDO Canada LLP as Auditors, and ratified the Corporation’s stock option plan

Two of the Company’s executives and five of the Company’s consultants have recently returned from the 2019 Zi Gang Cup Jade and Stone Works Competition and Exhibition, held in Suzhou, Jiangsu province, China. The competition, which brings together some of the world’s most recognized Chinese and International Jade carvers and Jade industry leaders, provided an excellent opportunity to formally introduce Jade Leader, its projects and progress to a wider dedicated audience in the Jade space. Numerous opportunities to conduct additional market research as well as discuss the quality and marketability of various jade types, from both Wyoming and Washington projects, with carvers and industry participants were capitalized upon to solidify and more effectively direct the current coming exploration season with high priority targets.

Plans for the next phases of work at all of Jade Leader’s US based projects are currently being finalized, with field work expected to commence in late May and continue through to the end of June. This round of work will consist predominantly of prospecting as well as detailed mapping and sampling of previously identified in-situ Jade occurrences. This work is being conducted to generate the information required for permitting of larger scale mechanized trenching and sampling to be conducted later in the exploration season, as permitting will allow.

Finally, prior to expiry, 3,250,000 warrants from a previous financing have been exercised during the quarter ended March 2019, for net proceeds of \$325,000.

On Behalf of the Board of Directors,

“Jean-Pierre Jutras”

Jean-Pierre Jutras,
